Narrative

On 1/28/16, at approximately 2139 hours, I was dispatched to Cascade Behavioral, which is located at 12844 Military Road South, regarding an assault that occurred. Upon arrival, I contacted the victim and identified her as [REDACTED] ([REDACTED]). [REDACTED] is a mental health patient and said she was assaulted by another patient who was identified as [REDACTED] ([REDACTED]).

[REDACTED] stated that while waiting by a counter to receive some medication, she was attacked by [REDACTED] without warning. [REDACTED] said [REDACTED] was staring at her so when she asked [REDACTED] to not stare at her, [REDACTED] responded by hitting her on the right side of her face. After being hit, [REDACTED] said she moved away and was surprised that none of the staff members intervened or assisted her afterwards.

[REDACTED] said this occurred around 0900 hours but when she asked for assistance calling the police, staff members told her they weren't allowed to call. [REDACTED] was eventually able to call the police with the assistance of one of the staff members.

I then contacted the suspect, who was identified as [REDACTED] ([REDACTED]). When asked about the incident, [REDACTED] was unable to clearly explain what happened. It was obvious she had mental health issues and was at Cascade Behavioral on an ITA (Involuntary Treatment Act).

Because [REDACTED] was being held there on an ITA I decided not to remove her from the facility. This case will be forwarded to the city prosecutor for review.
